Dark State: Empire Games

Charles Stross 2017-01-17

Chosen as one of the top books of 2016 by Tor.com and the Washington Post, The Merchant Princes series has established Charles Stross as one of science fiction's most exciting storytellers. In The Merchant Princes, we follow the adventures of the Stross family as they navigate the treacherous political and military landscape of the Empire of the Americas. In Empire Games, the first book of the new story-line, the Stross family finds itself facing new challenges and threats as they try to maintain their power and influence in the face of political and economic instability.

The main character, Timmie Stross, is a brilliant strategist who is determined to protect the interests of the Stross family and the Empire itself. She must navigate complex alliances, political intrigue, and military tactics to ensure the survival of her family and the Empire. The story is filled with action, suspense, and excitement as Timmie and her allies seek to achieve their goals in the face of great adversity.

In Empire Games, Stross explores the themes of family, power, and strategy in a way that is truly captivating. He creates a rich and immersive world that is both familiar and intriguing, and he draws the reader into the story with ease. The characters are well-developed and believably flawed, and the plot is filled with surprises and twists that keep the reader engaged from beginning to end.

Overall, Dark State: Empire Games is a thrilling and thought-provoking read that is sure to appeal to fans of science fiction and strategy games alike. It is a must-read for anyone who enjoys a good story of power, politics, and strategy in a world that is at once familiar and foreign.
Empire Games

Charles Stross 2017-01-17

Charles Stross builds a new series with Empire Games. Expanding on the world he created in The Family Trade series, a new generation of paratime travellers will battle parallel realities. The year is 2020. It’s seventeen years since the Revolution overthrew the last king of the New British Empire, and the newly reconstituted North American Commonwealth is developing rapidly, on course to defeat the French and bring democracy to a troubled British Empire, and the newly-reconstituted North American Commonwealth is developing rapidly, on course to defeat the French and bring democracy to a troubled
